**Beautiful Liver Chestnut Trail/Ranch SMOOTH  
riding Gelding!**

**\$ 8,500**

**Description**

This is Maverick and he is an 8-year-old gelding, he stands about 14.1 hands, is extremely gentle and so enjoyable to ride, he has been ridden extensively on trails, to town, beside the highway and knows ranching too! He is easy to catch, you can rope off of him, open and close gates, he knows WHOA and will stop when he's told. He will get up and move when you ask him to and as you'll see in videos as soon as I can get them clipped down into one video he has a beautiful soft short lope, if you drop the reigns his natural speed is a steady walk and he doesn't get carried away unless you ask him to pick up the pace. He has worked in cattle feed lots, ridden by all types of riders, from beginners to experienced! He loads in any type of trailer, backs out of the trailer, stands tied, stands to mount, for fly spray and is an all-around beautiful and very enjoyable boy to ride! He has been in multiple parades, ridden a lot around cattle, ridden on ranches checking fences, gathering up cattle, overnight trail rides, rides out quiet alone and isn't buddy or herd sour. Maverick is half Missouri fox trotter and half quarter horse; he has the SMOOTHEST gaits (trot) that doesn't jar you to death and a super nice soft lope! I grew up on gaited horses and even ran barrels and poles on mine and we were always in the top 3 in our class! As I grew up, I had quarter horses also, but I prefer 100% gaited or the QH gaited crosses. If you are unfamiliar with the gaited horses, please reach out to me and I am happy to help answer any questions you may have! Once you get a nice gaited horse you'll never have anything else! I will attach YouTube video links here to their ads as soon as I can get them all edited and uploaded. The good family horses are selling faster than I can get their videos uploaded, as it takes a lot of time so, PLEASE feel free to call or text me anytime! Tell me about yourself and what you are
